THE PALESTINE ARAB DELEGATION

441 Lexington Avenue • Suite 509
New York, N. Y. 10017

June 1, 1974

H.E. M. Moulaye El Hassen, Ambassador
President, Security Council
The United Nations
New York, N.Y. 10017

Your Excellency:

Seventy Palestinian and Lebanese men and women, and fifty children were killed beneath the rubble of their homes, burned by napalm, or machine-gunned by Zionist murderers and gangsters attacking in American Phantoms, Skyhawks, with bombs, rockets and napalm. More than 300 men, women and children were wounded, and some are maimed for life. More than 400 Palestinian and Lebanese families were made homeless. Their homes in Lebanese villages and in Palestine refugee camps were destroyed by these Zionist gangsters and murderers in four successive days by their heavy air bombardment between the 17th and 21st of May, 1974.

These barbarous crimes were committed with American weapons at the time the United States Secretary of State was in Jerusalem, and, some say, with his tacit consent.

The Government of Lebanon announced its intention to submit a complaint to the Security Council. To date, no complaint has been submitted. It is believed in the Middle East that the United States Secretary of State exerted influence and used his charm on the Government of Lebanon and on other Arab leaders, who had fallen under his "magic spell," and prevented the submission of that complaint.

It is reported from Jerusalem that the United States Secretary of State made secret commitments to the Zionist gangsters and murderers as an inducement to accept the disengagement agreement with Syria. The war criminal, Golda Meir, quoted the following passage from the United States-Zionist gangsters understanding: "Raids by armed groups or individuals across the demarcation line are contrary to the cease-fire. Israel, in the exercise of its right of self-defense, may act to prevent such actions by all available means. The United States will not consider such actions by Israel as violations of the cease-fire, and will support them politically."

Mrs. Meir stated in the counterfeit parliament that the United States had reached a number of secret understandings with

the Zionist gang in connection with the troop separation agreement, and that they covered substantial American military assistance to the Zionist gangsters, and stated: "The consistent aid of the United States to Israel has been assured for the future by the President of the United States."

In effect, the United States is encouraging further Zionist similar attacks against Palestinian refugee camps, and is making itself an accessory before and after the fact to Zionist war crimes and crimes against humanity. These secret commitments give credit to the assumption that the United States Secretary of State tacitly consented to the barbaric bombardment of the afore-said Palestine refugee camps and Lebanese villages between the 17th and the 21st of May, 1974.

Therefore, we urge the Security Council to take note of these facts. The United States should be condemned, together with the Zionist gangsters for all future barbaric attacks on the Palestine refugee camps or on Syria and Lebanon.

For making such commitments, the United States has become unfit to be a Permanent Member of the Security Council, which is entrusted with the task of preserving international peace and security.

Many voices were raised condemning the Palestinians for the incident in the Maaliah, the Arab village usurped by Jews who changed its name to Maalot. The sensational reporting by the Zionist-controlled television and radio stations and newspapers in the United States distorted the facts. The Senate of the United States, and many members of Congress, condemned the Arabs without investigating the facts.

But these voices became mute when the Zionist gangsters murdered and burned 50 Palestine and Lebanese children, and 70 men and women, and made 400 families homeless. This proves the lack of moral integrity and decency, and a blind hatred and bias of the Zionist-controlled media, and certain American politicians who are nothing but Zionist stooges.

Three Palestinian refugees and freedom-fighters demanded the release of twenty of their comrades unlawfully imprisoned in occupied Palestine. Had Moshe Dayan and his thugs followed instructions, not one student would have been harmed in Maaliah (Maalot). But Golda Meir, Moshe Dayan and the rest of the Zionist gang have neither humanity or decency. They refused to release the Arab hostages held by them in prisons. Instead of acting with humanity and with concern for the life of the Jewish children in the school, they ordered their thugs to attack the school. Many of the children were killed and injured, as were the three Palestinian freedom-fighters. Dayan clearly stated in the Zionist counterfeit parliament that their counterfeit state of "Israel" could not afford to give in to Arab demands even once.

At least the Palestinian freedom-fighters had the decency and humanity to give a chance to save the hostages if their comrades were released. They had no intention of murdering any of their hostages if their comrades were released. But the Zionist bloodthirsty gangsters kill for the sake of killing.

THE DISENGAGEMENT AGREEMENTS

The Zionist-controlled press, television and radio in the United States are now glorifying the "miracles" of Dr. Henry Kissinger for finalizing a "disengagement" agreement between Syria and the Zionist gangsters. This glorification of the United States Secretary of State is being done because of his religious affiliation and Zionist orientation, and because his policy serves the counterfeit "Jewish state."

This dishonest policy has one objective: namely, to win time for his Zionist friends and to help them obtain Arab recognition for Zionist sovereignty over the usurped ancestral homeland of the Palestinians. The disengagement agreements with Egypt and Syria will be used by Dr. Kissinger and his Zionist gangster friends to delay and postpone any serious effort to solve the Middle East problem on the basis of right and justice.

Some Arab leaders, in their wishful thinking, have convinced themselves that the United States has changed its pro-Zionist policy, and is following an even-handed policy. There is nothing further from the truth. The United States Congress is still controlled by the counterfeit state of "Israel." The United States Administration has not changed its policy an iota from the full military, economic and political support of the counterfeit state of "Israel." The United States media of mass communication is committed and dedicated to the support of the Zionist cause and for its animosity to the Arabs. What has changed in the United States is that its Secretary of State is willing and able to deceive Arab leaders in believing that he and the United States Administration are even-handed, while they are 100% committed to the counterfeit state of "Israel"?

GENEVA CONFERENCE A CONSPIRACY AGAINST THE ARABS

The Geneva Conference has been convened to implement that infamy--the unjust Security Council Resolution 242. It is a conspiracy by the big powers to force the Arab states to recognize sovereignty for the inhuman and illegal Zionist occupation of the ancestral homeland of the Palestinians.

The Arab countries which have accepted that Resolution and have joined the Geneva Conference on that basis, not only stabbed the people of Palestine in the back, but have betrayed the best interests of the Arab nation. We firmly believe that any Arab

leader who dares recognize sovereignty for the Zionist gangsters and murderers will be lynched by his people.

Arab leaders who fell under the "magic spell" of Dr. Henry Kissinger are trying to convince Palestinian representatives to attend the Geneva Conference, so that the Palestinians will join them in the national crime of betraying Palestine and its people.

We are sure that the determination of the Palestinian people to liberate their country and to live as a free and independent people in their ancestral homeland will frustrate all conspiracies to legitimize the usurpation of Palestine by the Zionist invaders.

It is time that the United Nations and the international community has the decency and humanity to tell the Zionist gangsters that the international community will no longer support the Zionist inhuman reactionary program of creating a fanatic religious and racist "Jewish state," established by Genocide, War Crimes, and Crimes Against Humanity.

Sixty percent of the Jews of occupied Palestine are Oriental Jews, citizens of Arab countries. These Arab Jews should be repatriated to the Arab countries of their origin, and should be given possession of their lands and properties which they left behind. The Zionist war criminals, the top 500 Ashkenazi Jews who brought havoc, bloodshed and crime to the Middle East, should be tried as war criminals.

The United Nations should assist the Palestinians, Moslems, Christians and Jews to reconstitute Palestine as a democratic state, and make Palestine a Holy Land for all faiths.

This is the only solution which will bring justice and a lasting peace to the Middle East. The Geneva Conference and the disengagement agreements will not achieve justice and peace for the Middle East. The continuation of this dishonest policy by the big powers and by the United Nations will only lead to more wars, bloodshed and destruction. It is time that the Security Council should act in accordance with the Charter of the United Nations and discharge its responsibility for establishing a real, just, and lasting peace in the Middle East.

His Excellency
M. Moulaye El Hassen, Ambassador
President of the Security Council
The United Nations
New York, N.Y. 10017

Your Excellency:

The war criminals Yitzhak Rabin and Shimon Peres and their fellow murderers of the Jewish gang of Tel Aviv continue their crimes of Genocide against the Palestinians.

Using American Phantom jets and Sky Hawks and American bombs and napalm, the Jewish murderers made seven air attacks against the Palestine refugee camps in Lebanon between the 19th and the 21st of June.

As a result of these criminal air attacks 20 Palestinian civilians were killed by bombs or burnt by napalm, and 63 were injured. The following are the details about the victims:

Innocent Civilians Killed

<u>Refugee Camp</u>	<u>Children</u>	<u>Women</u>	<u>Old Men</u>	<u>Young Men</u>	<u>Total</u>
Ain Alhelweh	1	1	6		8
Burj Alshamali	4		3		7
Al Rashidieh			4	1	5
				TOTAL	20

Innocent Civilians Injured

<u>Refugee Camp</u>	<u>Children</u>	<u>Women</u>	<u>Old Men</u>	<u>Young Men</u>	<u>Total</u>
Ain Alhelweh	8	6	7		21
Burj Alshamali	9	11	12		32
Al Rashadieh	2	3	3		10
				TOTAL	63

Fifty houses were completely destroyed and Palestinian families were made homeless. More than one hundred other houses were damaged.

In his letter to Your Excellency, dated June 25, the representative of the Jewish murderers, the counterfeit Ambassador, Joseph Tuckashinsky, (A Russian Jew raised in Shanghai and a United States citizen) who distinguished himself in the United Nations with his fabrication and lies, states that "steps are taken to avoid injury to residents of civilian localities, including refugee camps." He again states "it is evident as already indicated that Israel takes great care to avoid any damage or injury to innocent people."

The above figures show that the victims of this Jewish Genocide are Palestinian women, children and old men. These facts demonstrate how Tuckashinsky wilfully lies to the Security Council, and yet his lies and falsehoods are distributed as official documents. What a great insult to the Security Council and degradation to the United Nations!

The Palestine Arab Delegation submits that the United States Administration and Congress should be held responsible, together with the Jewish gang of Tel Aviv for this crime of Genocide against the Palestine people. The United States fabulous economic and military aid in several billions of dollars every year made it possible for the Jewish murderers and robbers to continue their illegal occupation of our homeland, and to continue committing the crime of Genocide against our people.

The War Criminal Shimon Peres, is at present in Washington discussing with the United States Secretary of Defense the details of military aid of 7.5 billion dollars for the next five years. This will enable the Jewish criminals to continue their War Crimes and their Crimes of Genocide against the Palestine people.

These crimes will only fortify the determination of the Palestine people to liberate their ancestral homeland from Jewish occupation. All efforts of the Jewish robbers and murderers and their accessories, the United States Administration and Congress to liquidate the Palestinians and their rights will be frustrated.

The Palestine people consider themselves the sovereign people in their ancestral homelands in spite of exile. The counterfeit "State of Israel" has no sovereignty or rights in Palestine.

The Palestinians are supported by all the Muslim and Arab peoples and by many just and fairminded nations and peoples throughout the
